	AMENDED CERTIFICATE NO. G-0003

AMENDED CERTIFICATE TO PROVIDE LARGE VOLUME SERVICE

(Issued August 27, 2002)

On August 31, 2001, the Utilities Board (Board) issued an order approving the application of U.S. CoEnergy Services (U.S. CoEnergy), a partnership, to become a competitive natural gas provider (CNGP) in Iowa. The Board issued Certificate No. G-0003 to U.S. CoEnergy and limited service to large volume customers.

On July 22, 2002, U.S. CoEnergy filed a notification with the Board that it had changed its corporate structure from a general partnership to a Wisconsin corporation and had changed its name to U.S. Oil Co., Inc. U.S. CoEnergy stated that the new corporation retains the managerial and technical personnel to provide the service it offers in Iowa.

The Board is issuing an order concurrently with this amended certificate recognizing the change in the name of the certificated CNGP from U.S. CoEnergy to U.S. Oil Co., Inc., and issuing an amended certificate.

IT IS THEREFORE ORDERED:

Amended Certificate No. G-0003 is issued to U.S. Oil Co., Inc.
